[View Information](#)

Never has it been easier to begin your holiday. Our pickup and drop-off service enables our customers to travel from all parts of England with relative ease, conveniently and economically.

For the benefit of our customers choosing to take our pick-up and drop-off services we have listed the points which should be noted prior to your journey. The pick-up points outside of London are subject to availability.

WAITING TIME

Due to circumstances beyond our control, there may be changes to the pick-up timings listed - these are for reference only. If there are any changes to your pick-up, we will inform you 12 hours before your scheduled pick-up time. Due to congestion at ports of entry and traffic conditions beyond our control, there may also be delays in departure times for your preferred pick-up and drop-off. Our representatives will communicate the details of the waiting times to the parties concerned. On occasions where delays occur, there may be waiting times of up to 90 minutes. Please consider unexpected delays when booking onward Flight / Train / Coach connections, as Star Tours cannot be held responsible for the loss or costs associated with any missed connections / bookings you may have.

FOOD AND SERVICE STOPS

During scheduled pick-ups and drop-offs, passengers are advised to carry water and food for their journey. The driver will not stop for breaks outside of the legal breaks. In the mornings, when you reach the point where you will join the group, the connection will be immediate, and your tour will begin straight away. As our extensive range of locations span the length and breadth of England, the order of the service must be carefully planned. During your pick-up and drop off, you may find that you will be travelling with other passengers who may be travelling to different destinations. The sequence of pick-ups and drop off's will follow a pre-assigned route through the various destinations. The pick-up and drop off service will be grouped together as per the geographical locations. Please Note: that routes will be diverged. If your invoice does not state a pick-up time or states TBC, then please check with our sales team prior to travelling.

OXFORD & COTSWOLD

Tour Code: UKCW

Arrival Time: 09:30 hours
Departure Time: 17:30 hours

Itinerary

Depart early in the morning and drive to the countryside of Cotswold. Our first stop will be the village of Bibury, an attractive setting along the River Coln and a backdrop for films, including Stardust and Bridget Jones's Diary. Stroll along the beautiful cottages of Arlington Row, the quaint group of weaver's cottages dating back to the 16th century.

Then it's on to Bourton-on-the-Water, known as the 'Venice of Cotswold' and regularly voted one of the prettiest villages in England with its gorgeous bridges that cross the River Windrush. Visit the Model Village is a must, and if you are a car enthusiast, then a visit to the Motoring Museum is well worth it (entrances not included).

We head towards the historic city of Oxford, which revolves around its prestigious university, established in the 12th century. The architecture of its 38 Colleges in the city's medieval centre led poet Matthew Arnold to nickname it the 'City of Dreaming Spires'. University College and Magdalen College is off the High Street. Enjoy your free time here before heading back to London.

2 Inside Passage, Alaska - At Sea to enjoy Onboard Amenities and Activities

Sail beyond the Inside Passage into the more protected Alaska Inside Passage in Southern Alaska. Home to diverse wildlife-orca, mountain goats, bald eagles, bears, puffins, sea otters and more - the complex labyrinth of fjords and bays are where whales and sea lions find refuge during the summer months. You'll never forget the sight of 40-ton whales hurling themselves into the air, almost completely escaping the water. If you're especially lucky, you could see them swimming together to create a bubble net, trapping and eating fish by the giant mouthful. (B, L, D)

3 Icy Strait Point, Alaska

For thousands of years, the Tlingit Indians have called Icy Strait Point home. Located near the city of Hoonah, and home to a historic cannery, Icy Strait Point also offers travelers the chance to view wildlife like humpback whales, orcas, seals, eagles, and brown bears, or to explore monuments to the region's fishing heritage. Enjoy shore excursions from 1:30PM to 9:00PM. (B, L, D)

4 Hubbard Glacier - At Sea to enjoy Onboard Amenities and Activities

Today you will have unrivaled views of the famous Hubbard Glacier which is a tidewater glacier off the coast of Yakutat, Alaska in the Alaska panhandle 200 miles northwest of Juneau. Hubbard Glacier is the largest calving glacier on the North American continent. The glacier routinely calves off icebergs as high as 10-story buildings, sending massive blocks of ice into the sea every few minutes. (B, L, D)

5 Juneau, Alaska

Juneau is the capital of the U.S. state of Alaska, located in the Gastineau Channel and the Alaskan panhandle. Juneau is many things: a mountain town, a coastal community and the most scenic capital city in the U.S. A natural wonder, wildlife hotspot and cultural jewel, Juneau is rich in history, art, music and Native heritage. The Mendenhall Glacier, a river of ice measuring 1.5 miles in width and over 6 miles in length, is part of Juneau's Icefield, 1500 square miles of ice that feeds 38 glaciers. Enjoy shore excursions from 7:00AM to 7:30PM. (B, L, D)

GENERAL INFORMATION

PRICES

The prices in this brochure are per person and based on double occupancy, requiring at least two adults to share a room. Should your party include one adult and one child, the child will be charged the adult fare to cover the room cost, which is calculated on double adult occupancy. Children aged 11 and under, travelling with two full-fare paying adults, receive a discounted rate. Infants under 23 months will be charged for a coach seat. For solo travellers, a single supplement applies. Age is calculated based on the return date of travel. Please note brochure prices are for guidance only, and we operate a dynamic pricing policy. Prices can rise closer to departure dates due to availability and demand, so we recommend booking early for the best value.

HOTELS

We work with hotels that meet at least a 3-star national standard. These provide the basics — an en-suite bathroom and TV — but rooms in Europe are generally smaller than what many passengers may be used to in the USA, or Asia. Facilities such as air conditioning, lifts, or tea/coffee stations are not guaranteed. Water bottles are not supplied in rooms, and some hotels may have stair access only. Double beds are often two single beds placed together. Hotels are usually located outside the city centre.

Rooms for three guests are especially compact. These typically consist of one double (or two singles pushed together) and one small sofa or rollaway bed. The extra bed is designed for a child or single adult use, and space in the room will be very limited once it is added. If comfort and space are priorities, we recommend booking two rooms instead. Hotels are usually located outside the city centre to allow for coach parking and to keep the tours competitively priced.

ROOM CONFIGURATION

Most hotels can only accommodate up to three guests in a single room. Families of four (two adults and two children) will usually be provided with one extra sofa/rollaway bed for one child, while the other shares existing bedding. Extra beds are not full-sized and do not add extra floor space. Scottish hotel rooms are particularly compact, so space may feel even tighter.

For solo travellers, a single supplement applies because all hotel pricing is based on double occupancy. Star Tours does not arrange room-sharing between passengers.

For example: if the tour cost is Adult £ 100 / Child £ 50, a booking for one adult and one child would be charged £ 200 in total.

YOUR FAMILY	WHAT YOU PAY	TOTAL	ROOMS
1 Adult + 1 Child	£ 100 + £ 100	£ 200	1
2 Adults + 1 Child	£ 100 + £ 100 + £ 50	£ 250	1
2 Adults + 2 Children	£ 100 + £ 100 + £ 50 + £ 50*	£ 300	1
2 Adults + 3 Children	You will have to pay for either a single supplement for your third child; otherwise, two of the children will have to upgrade to pay adult fares. You will receive two rooms		

*If a quad room is unavailable, a reduction as mentioned in the tour itinerary will apply. Note that such rooms have limited space and may not be suitable for taller adults.

SINGLE TRAVELLERS

Individuals travelling alone will incur the standard adult fare and a single supplement fee. Please note that Star Tours cannot facilitate room-sharing arrangements with other passengers.

CHANNEL CROSSINGS

In 2026, our coach tours will primarily operate through channel crossing routes originating from Dover, Calais, and Dunkirk and limited departures via Eurotunnel services from Folkestone. Star Tours retains the authority to divert tours to alternate ports as needed. Passengers must accurately complete and submit all required information through the new European Travel Information and Authorisation System (ETIAS) before arrival.

TOUR REPRESENTATIVES

Our escorted tours are led by a Tour Manager or Driver who will support you throughout your journey. On some departures, they may join the group after the first pick-up point. For flight or rail tours, you will travel unaccompanied for part of the journey and then meet the Tour Manager at the destination.

The Tour Manager is there to keep everything on schedule and running smoothly. Please follow their instructions on timings, seating, and meeting points so the whole group can enjoy the tour without delays. The Tour Manager's role is to coordinate the tour for the group as a whole. They cannot provide personal assistance such as carrying luggage, managing medical needs, or handling immigration matters.

Please ensure at least one member of your group has a working mobile phone so we can stay in touch if needed. Tours are conducted in English. After the final sightseeing activity, the Tour Manager may leave the group, at which point our experienced drivers will take responsibility for returning you safely to England.

CHANGING THE ITINERARY & TIMEKEEPING

Your Tour Manager may adjust the itinerary during the tour, usually due to delays or local events. On group tours it's vital to follow the timings given, as all departures must comply with DVSA driving regulations. Passengers who miss a departure will need to make their own arrangements to rejoin the group, and any costs will be their responsibility. Itineraries, especially on flight tours, may change, and on some departures the routing may run in reverse. No sightseeing will be missed unless closures make it unavoidable. For the latest information, please check our website before making independent flight or travel plans.

COACHES & TRANSPORTATION

Our coaches are fitted with air-cooling systems and usually have a TV and DVD/CD player. Emergency toilets are provided but should only be used when essential. On flight tours, or where smaller vehicles are used, toilets may not be available.

Transfers may sometimes be by car, minibus, or other vehicles without toilets or reclining seats. Some coaches may have USB charging points, but Wi-Fi and mains charging are not available. To keep journeys safe and pleasant, only water and dry snacks may be consumed on board. Smoking, e-cigarettes, vaporisers, and alcohol are strictly prohibited. Last row seats may not recline.

Please Note: If a replacement vehicle is used, it may not offer the same facilities and Star Tours cannot be held liable for any loss of amenities.

Coach travel is balanced with sightseeing and rest breaks, but long journeys are part of experiencing Europe's many highlights in a short time.

DISTANCES & JOURNEYS

Europe is vast, and long days of travel between cities are part of the experience on a touring holiday. Rest stops are built into the itinerary in line with driving regulations, but passengers should be prepared to spend several hours on the coach.

We recommend dressing comfortably and keeping essentials such as water, dry snacks, tissues, power banks and medication in your hand luggage. Please note that delays caused by traffic or mandatory driving breaks are outside Star Tours' control and form part of the journey.

CURRENCY

We strongly recommend arranging your currency before the tour. Exchange facilities and ATMs can be limited, and card payments are not always accepted. Small amounts of Euro change are especially useful for toilets and minor purchases. Most of Europe accepts Euros, but Swiss francs are essential for Switzerland. For UK tours, pounds sterling are required. Star Tours cannot be held responsible if passengers are unable to make payments or access facilities due to lack of local currency.

CHILDREN & YOUNG INFANTS

Infants under two years old will be charged an infant fare, with an additional supplement on flight tours. For safety reasons, we strongly recommend that parents bring a coach-compatible booster seat for their child. Star Tours does not supply booster seats, and it is the parent or guardian's responsibility to provide, fit, and use one if they wish. Choosing not to use a booster seat may reduce your child's comfort and safety, and Star Tours accepts no liability for this decision.

We recommend parents carry ready-to-use baby food and milk, as these are not available at hotels or restaurants during the tour. Since not all hotels provide kettles, bringing a bottle warmer or travel kettle is advisable. Pushchairs and strollers must be foldable to fit into the coach luggage compartment.

For safety reasons, children are not permitted to sit in the front rows of the coach.

BAGGAGE

Each passenger may bring one suitcase (up to 23 kg, maximum size 90 x 75 x 43 cm) and one piece of hand luggage (up to 5 kg, maximum size 20 x 20 x 48 cm). The driver will assist with loading and unloading, but you are responsible for carrying your luggage to and from your hotel room. Some hotels may not have lifts.

Luggage stored in the coach lockers can only be accessed at hotels or the final stop, not during the journey. Any items exceeding the allowance will be charged at £10 / \$15 per bag, per day (subject to availability).

All luggage is carried at the owner's risk. Star Tours is not responsible for loss, theft, or damage to personal belongings. We strongly recommend adequate travel insurance.

WEATHER

Weather across Western Europe is changeable, much like the UK. Always pack a small umbrella and check average temperatures for your destinations before you travel. Evening sightseeing can be cooler, so bring something warm.

CLOTHING, ACCESSORIES & HEALTH

Pack light, comfortable clothing with a jacket or sweater for cooler evenings. A waterproof jacket or umbrella is essential for sudden showers. For warmer days, bring sun hats, sunscreen and comfortable walking shoes. We also suggest carrying a travel adapter, as plug types vary across Europe. Some passengers find it useful to bring a small hair dryer, travel iron, or kettle, since not all hotels provide these.

Tours involve long journeys, sightseeing on foot, and varying weather conditions. Please bring sufficient prescription medication for the duration of your holiday, as access abroad may be limited. Passengers with health concerns should consult their doctor before travelling to ensure the tour is suitable. Tours involve a moderate level of walking, sometimes on uneven surfaces or uphill. Passengers should ensure they are physically able to participate in the planned itinerary.

LOST PROPERTY & THEFTS

Passengers are solely responsible for their belongings at all times. Star Tours cannot retrieve, store, or transport items left behind, including across international borders, even if authorised.

In the event of theft, you must report the incident immediately to the local police and obtain a crime reference number. Your tour representative can assist by pointing you to the nearest police station but cannot file reports on your behalf.

To minimise risk, avoid carrying unnecessary valuables and remain vigilant in crowded tourist areas where pickpocketing is common. Comprehensive travel insurance that covers loss or theft is strongly recommended, even for EU citizens.

WHEELCHAIRS

Our tours are not specifically designed for passengers with mobility challenges. Itineraries often involve walking, steps, and long coach journeys. Manually collapsible wheelchairs and walking aids can be stored in the coach luggage compartment. Non-folding electric wheelchairs cannot be accommodated.

Drivers will help with loading and unloading, but passengers must be able to board and leave the coach on their own. Many hotels on our tours may not have lifts, so please consider this when deciding if the tour is suitable for you.

SEATING ALLOCATION

Seat allocation is managed solely by Star Tours. Requests for specific seats, whether for personal, medical, or other reasons, cannot be accepted. Allocations are based on booking numbers, group size, coach layout and safety regulations, and may be adjusted at any time. Seat numbers are provided only on the day of departure by the Tour Representative. Please note that our sales and contact centre teams cannot advise or confirm seat numbers in advance.

Families with children will not be seated at the very front of the coach, regardless of early booking. Passengers travelling on different booking references who wish to sit together must inform us at the time of booking. Once seats are allocated, they cannot be changed.

EARLY BIRD OFFERS

Early Bird Offers apply only when the required deposit is paid at the time of booking. These offers cannot be combined with other promotions, discounts or vouchers and are not available for infant travellers.

If an Early Bird Offer includes complimentary hotel accommodation, this will be at a minimum 3-star property in the Wembley/Heathrow area (or nearby). Hotel allocations may vary, and there is no guarantee that passengers travelling together will be placed in the same hotel. Rooming will follow the arrangements stated on your booking.

Early Bird Offers do not apply where a surcharge is added to the brochure price or where the tour itinerary has been changed.

FOOD

Food is an important part of the tour, and many of our passengers enjoy the comfort of having familiar Indian meals while abroad. Breakfast is usually continental and may include breads, cereals, fruits, juices, hot drinks, and milk.

For lunch and dinner, the menu is mainly Indian, with vegetarian dishes always available and non-vegetarian options (such as chicken or fish) regularly included, especially at dinner. A typical meal will include items such as naan or chapati, curry, dal, rice, and salad. Jain meals can also be requested in advance.

Menus are designed to offer comfort and familiarity while abroad. While some repetition is unavoidable when providing Indian meals across multiple countries, we aim to keep a balance of variety in curries, dals, and non-vegetarian options.

Meals are usually buffet style, served in hotels or restaurants, with tap water included. Other drinks can be purchased separately. Depending on the itinerary, meals may sometimes be served outdoors at service stations or rest areas, or provided as packed meals. Dinner is normally arranged in a designated dining area within the hotel or restaurant, with assigned seating.

Passengers with strict dietary needs or allergies should make independent arrangements before travel, as we cannot guarantee allergen-free or highly specialised meals. If a meal cannot be provided, you will receive a reimbursement of £10 for lunch and £15 for dinner.

EXCURSIONS

At popular sites, waiting times can be lengthy due to high visitor numbers, weather, or local events. Entry is subject to the ticket type purchased, and once you exit, re-entry is not permitted. Refunds are not issued for delays, closures, or restrictions beyond our control, including those imposed by public authorities. Lost or stolen tickets cannot be replaced.

Some excursions may have capacity limits. For example, Eiffel Tower tickets cannot be pre-purchased by us, so extremely long queues are to be expected.

ADDITIONAL EXCURSIONS

Our itineraries are designed to include the main highlights at a competitive price. On some tours, the Tour Representative or driver may offer optional excursions to complement the experience. These are separate from the tour package, subject to availability and must be paid for in cash before departure. Participation is voluntary and we cannot guarantee that every optional excursion will be offered on every departure.

PICK-UP AND DROP-OFF POINTS & TIMES

The times shown in our brochure and on our website are indicative and may change. Some pick-up points may carry a supplement charge if minimum numbers are not met. Passengers should arrive at the pick-up point 15 minutes before the stated time. Late arrivals must make their own arrangements to rejoin the tour, and no refunds are given for missed connections. If you are arranging independent travel to or from the pick-up or drop-off points, please allow for potential delays, as Star Tours cannot be held responsible for missed onward connections.

Return journeys from the continent usually arrive in Dover between 20:00 and 22:00. Coaches then proceed to the original London pick-up points, with arrival expected between 22:45 and 02:00 (next day). All timings are approximate and subject to traffic, border checks and road conditions. The order of pick-up and drop-off may vary.

DIETARY, ROOM ALLOCATION & OTHER REQUESTS

If you have special request (rooms on the same floor, particular meal types, or seating), please let us know at the time of booking. We will pass these on to the relevant supplier, but they cannot be guaranteed.

Many requests, such as early check-in, late check-out, or packed meals from hotels, are at the hotel's discretion and may carry an extra charge. If something is essential to your holiday, we recommend confirming it directly with the supplier before travel.

Passengers with dietary needs should also carry suitable snacks or alternatives, as local availability cannot always be guaranteed.

FARAWAY TOURS

Our Faraway Tours are run by trusted local ground operators who manage the day-to-day arrangements. These tours may run with small groups (sometimes as few as two to four travellers) and may not always have a dedicated Star Tours representative. Instead, you will have local contacts for emergencies and assistance.

Sightseeing is usually led by local guides, though some free time is included for independent exploration. Transport is arranged locally and does not have assigned seating. You may share excursions with other travellers who have booked through different companies.

Meals are provided at selected restaurants or during excursions, usually within walking distance of your hotel. On these tours, you have greater flexibility but should be prepared for variations compared with our escorted European coach tours.

CUSTOMS & IMMIGRATION DELAYS / ENQUIRIES

Star Tours cannot assume responsibility if passengers encounter delays or are detained by government departments such as the Police, Customs, Immigration, or other authorities in the destination country. It is the passenger's responsibility to ensure that passports, visas, ETIAS approvals, and any other required travel documents are valid for the full duration of the trip. Star Tours cannot accept responsibility if boarding or entry is denied due to incomplete documentation.

EUROPEAN TRAVEL INFORMATION & AUTHORISATION SYSTEM (ETIAS)

Travellers from visa-exempt countries such as the UK, USA, Canada and Australia must apply for ETIAS authorisation to enter the Schengen Area for short stays (up to 90 days). The application is completed online with personal and travel details and should be done well in advance of travel. ETIAS approval is valid for three years or until your passport expires, and allows multiple short-stay entries. Always carry a copy of your approved ETIAS when travelling.

ATOL

Your financial security is protected under the Package Travel Regulations 2018. Star Tours holds ATOL licence number 5639, which covers our air holiday packages and flights. This ensures your money is safeguarded and you will be repatriated if we become insolvent. Please note that not all services in this brochure are covered by ATOL – check with us if you are unsure.

ABTA

Star Tours is a member of ABTA (membership W8770). This means you benefit from ABTA's support and Code of Conduct, which includes clear standards for service and protection if things go wrong. If a dispute cannot be resolved with us directly, you have access to ABTA's approved arbitration scheme. Full details can be found at www.abta.com

1.9 CHILD CAR SEATS: Children under 11 years of age or shorter than 135 cm must use a child car seat. It is your responsibility to provide the car seat. Failure to provide a suitable car seat may result in denied boarding, in adherence to the laws of the countries being visited.

2. WHAT YOU PAY & WHEN

2.1 PAYMENT SCHEDULE: Upon confirmation of your tour, the outstanding balance must be settled according to the timeline provided below. Payment must be fully cleared in our account by the specified due dates. The initial deposit is calculated based on the total tour cost without any discounts or offers applied:

Holiday Type	Deposit	Balance Due
Coach Tours	25% of holiday cost	4 Weeks prior
One Day Tours	100% of holiday cost	At the time of booking
Flight Tours & FIT Tours	40% of holiday cost	6 Weeks prior

2.2 ONLINE BOOKING CONFIRMATION: Paying online does not guarantee your booking. Your booking is considered confirmed after we issue a final booking confirmation. We will refund the total amount paid if we cannot confirm your services due to lack of availability. Refunds may take up to two weeks to process, and we are not liable for any interest, surcharges, or fees you may incur due to the refund delay.

2.3 ROOM ALLOCATION AND OCCUPANCY: Prices are based on two or three adults sharing a room, with a maximum of three adults per room (excluding infants). Rooms may be allocated differently, including split rooms. Accommodation for three is guaranteed, but bed configuration in triple rooms cannot be guaranteed, and such rooms in the UK and Europe are often small. Single travellers will be given a single room and charged a single supplement.

2.4 EARLY BIRD OFFER EXCLUSIONS AND MODIFICATIONS: Early Bird Offers do not apply to infants aged 0-23 months. The infant fare covers only a seat for coach/flight holidays without any additional amenities. Additionally, the Early Bird Offer will not be available for bookings opting for flight reductions and will be rescinded if any changes are made to a booking.

2.5 BALANCE PAYMENT RESPONSIBILITY AND VISA PROCESSING: You must remember to pay the remaining balance by the due date, irrespective of visa processing status. Failure to do so will result in the cancellation of your booking and forfeiture of your deposit. Late payments will incur a fee of £10.00/\$15.00 per transaction.

2.6 PROMOTIONAL OFFERS: Early Bird and other web-only promotional discounts are valid only with confirmed bookings and the corresponding deposit payment. We reserve the right to withdraw these offers at any time.

2.7 CREDIT CARD SURCHARGES: All card transactions made with cards issued outside the UK attract a 2% surcharge. If this surcharge is not paid at the time of booking, it will be added to your invoice retroactively and must be settled prior to your travel date. Failure to pay may result in cancellation of your booking. Surcharges on international cards will not be refunded if the booking is cancelled.

2.8 INVOICE AND DOCUMENT ACCURACY: You must review the confirmation invoice and other documents provided by Star Tours for accuracy. If you find any errors or inaccuracies, report them immediately to Star Tours or your travel agent, as corrections might not be possible later or may incur a fee.

2.9 CURRENCY AND PAYMENTS: All payments must be made in Pounds Sterling (£). Prices shown in other currencies are for guidance only and may vary with exchange rates and surcharges.

3. YOUR HOLIDAY PRICE

3.1 PRICING AND ADJUSTMENTS: Aside from potential errors, your holiday's cost is indicated on our website or in your booking invoice. Although we hold the right to modify the prices at any moment, these alterations will not officially affect bookings that are already confirmed. However, after the confirmation of your booking, there might be a change in the holiday price due to fluctuations in:

- (a) Transportation expenses, which encompass fuel price variations
(b) Government-imposed dues, taxes, or other fees like landing or port charges
(c) Current exchange rates affecting your holiday package

(d) A notable increase in any component of the tour, such as accommodation, entry fees, flights or meals. We maintain the right to correct any pricing errors on our platforms and reservations made at an incorrect price.

3.2 SIGNIFICANT PRICE INCREASES: If the holiday price increases by more than 10%, you can cancel your booking and receive a full refund. To do this, you must notify us within seven days of receiving the notification of the price increase, and we will refund the total amount paid to you for your booking.

3.3 APPLICABILITY OF OFFERS AND DISCOUNTS: Early Bird offers and other discounts are valid when both the land arrangements and flight components of the tour align with the initially quoted tour price, without the addition of any surcharges for flights or hotels. These discounts are available for unmodified tours and can be withdrawn anytime without notice.

3.4 BREAKDOWN OF COSTS: We are not obligated to provide a detailed breakdown of the individual costs involved in your holiday package.

3.5 REFUND POLICY FOR CANCELLED OR RESTRICTED EXCURSIONS: In cases where excursions are cancelled or restricted, including national or public holidays, we will offer a refund equal to the ticket price at our contracted rate. Infants and children may sometimes be ineligible for this refund.

3.6 DYNAMIC PRICING POLICY: Star Tours employs a dynamic pricing policy, meaning that tour prices may fluctuate due to various factors, including service availability, demand or the addition of new services. The price quoted at the time of your booking is final; we cannot adjust it to match any previous prices. Please note that our website will always display the most current pricing, as brochures may be published several months in advance and may not reflect the latest updates.

4. IF YOU CHANGE YOUR BOOKING

4.1 For Coach Tours, the following amendments can be facilitated given that written notification is received within the timelines mentioned below:

Amendment/Change for Coach Tours Only	More than 30 days before departure	29-14 days before departure	13-8 days before departure	7-3 days before departure
Name Change	£25 per person	£50 per person	£75 per person	£100 per person
Tour Date Change	£25 per person	N/A	N/A	N/A
Tour Upgrade (Longer Tour)	Free	N/A	N/A	N/A
Tour Downgrade (Shorter Tour)*	£25 per person*	N/A	N/A	N/A

*Note: When downgrading a tour, the payment must be settled in full at the time of the change, treating it as a final modification. Downgrades are limited to a three-day tour option only. This option is not extended to tours spanning two days or less, UK Tours, or services from our affiliate partners.

4.2 The cancellation policies for One Day tours align with those stated in Clause 5.1. Modifications to name or date change for one day tours are possible upon presenting a written notice at least 7 days before travel; this will incur an administrative charge of £15/\$25 per person.

4.3 A cap of two amendments per booking is allowed. The fee structure will be employed for each change, subject to approval.

4.4 Changing a booking and then reverting to the original will still count as a change, and fees will apply.

4.5 All passengers in a booking, including those in conjunction with bookings, must adhere to the same pickup and drop-off locations. Changes to these locations can be requested up to 10 days before departure (21 days for bank and national holidays), subject to our approval. Note that changes within ten days of departure will not be accommodated. If the change can be made, a £15 per person administrative fee will be applied. Pickup and drop-off locations will be confirmed 24 hours before departure based on availability.

4.6 For Flight Tours and FIT Tours, any amendments, including name or date changes made more than six weeks before the departure date, will incur a fee of £100 per person. Within six weeks of the departure, no changes can be made. These amendments will also be governed by the cancellation policies stated in clause 5.1. Please note that changes cannot be made to bookings where flight tickets have been issued for visa purposes.

4.7 Please be advised that any alterations will nullify previously applied discounts, offers, or deals rendered at the initial booking stage.

NOTE: Certain travel arrangements (such as Apex/No-frills airline tickets) may be immune to changes post-reservation, potentially triggering a cancellation charge of up to 100% for that segment or the entirety of the arrangements.

5. IF YOU CANCEL YOUR HOLIDAY

5.1 NOTIFICATION OF CANCELLATION: Should you or a party member decide to cancel the holiday, the primary contact must formally notify us or the travel agent where the booking was made in writing.

5.2 CANCELLATION CHARGES: Upon your notification of cancellation, we will apply the cancellation fees (surcharges on international cards are non-refundable) as stipulated in the table. These fees are determined based on the timing of your written notification. This policy holds under various circumstances, including but not limited to:

- a) Non-compliance with the outlined payment schedule for the tour
b) Visa denials for any of the countries included in the tour itinerary
c) Inability to travel for various reasons such as medical conditions, death, or jury service (contact us for a comprehensive list).

Notice Given for Cancellation	Coach Tours	Other Tours
More than 28 Days	25% of total holiday cost	40% of total holiday cost
27 - 14 Days	50% of total holiday cost	75% of total holiday cost
13 - 7 Days	75% of total holiday cost	90% of total holiday cost
6 Days or Less	100% of total holiday cost	100% of total holiday cost

Please note that the percentages in the cancellation charge table represent a portion of the total holiday price, excluding any insurance premium or additional charges; these may still require full payment (examples include but are not limited to visa charges, courier fees, and postal charges).

5.3 REBOOKING FOLLOWING A CANCELLATION: If you choose to cancel a holiday and then rebook, the terms stipulated in the cancellation section of these booking conditions will be applied.

6. BOOKINGS MADE ONLINE

6.1 PROVISIONAL BOOKINGS: Bookings initiated through our web portal are provisional until we confirm them by issuing a final confirmation invoice. Please note that a payment made at the booking time does not guarantee booking confirmation.

6.2 BOOKING REVIEW AND ACCURACY CHECK: Star Tours reserves the right to review all online bookings for accuracy before confirmation. If any part of the booking conflicts with our terms and conditions or policies, it may be declined. In such cases, we will contact you so the booking can be amended in line with our policies and prices, or the provisional booking may be cancelled. Please note: some online selections may require approval and remain subject to our policies.

6.3 PAYMENT DETAILS: All payments made via the online booking portal must be in UK Sterling. If you opt to pay with a non-UK bank debit/credit card or a FOREX/Pre-paid card, be aware that you will bear any surcharges/fees levied by your issuing bank or building society and a 2% card fee. Transactions made with business or corporate cards will incur a 4% surcharge.

6.4 RESPONSIBILITY FOR BOOKING DETAILS: You are responsible for verifying that all details are accurate before finalising your booking with a payment. Should any changes be necessary post-confirmation, they will be subject to the cancellation or change fees outlined in clauses 4 and 5 of these terms and conditions.

7. IF WE CHANGE YOUR HOLIDAY

7.1 GENERAL MODIFICATIONS: We reserve the right to make necessary alterations to your holiday arrangements anytime. If we cannot provide the booked travel arrangements or a similar alternative, you will have the option to either receive a full refund of all monies paid or accept alternative travel arrangements of a comparable standard, if available.

7.2 MINOR ADJUSTMENTS: Minor alterations to your holiday, such as adjustments to travel times, excursions, departure and return points, transportation mode to a significant joining point, short-term changes in accommodation standard, or non-significant itinerary amendments, will not entitle you to any compensation.

7.2 (a) Dover, Calais, Medway, and Folkestone pick-ups are conditional upon ferry services departing from the Dover Port and are not guaranteed. You may initially choose these; however, if unavailable, you must modify your pickup location, with no liabilities falling on Star Tours for any associated costs.

7.2 (b) If an external pickup service is utilised, transportation to the coach boarding point may be facilitated through a variety of vehicles, including private cars or minibuses. A return service may have a waiting period of 90 minutes for a connecting coach.

7.2 (c) We reserve the right to alter external pickup timings at our discretion. You will be notified within 24 hours of departure.

7.3 SIGNIFICANT ALTERATIONS: In the event of substantial changes to your holiday, such as altering your UK airport (excluding transitions between recognised London airports) or modifying your departure/return time by over 12 hours, we will notify you promptly. Subsequently, you may either accept the modified holiday arrangement, choose a different holiday option (with a refund for any price difference), or cancel your booking.

7.4 CANCELLATION FOLLOWING MAJOR CHANGES: Suppose you cancel your booking owing to a significant change. In that case, we will refund all amounts paid towards services exclusively offered by us, with no compensation covering other bookings or potential losses arising from the change.

7.5 LIMITATIONS ON COMPENSATION: We are not obliged to offer compensation for either minor or substantial changes, including, but not limited to:

7.5 (a) The cancellation of a tour results in additional costs for services booked separately.

7.5 (b) Events unforeseen or beyond our control, encompassing natural disasters, political unrest, or transportation disruptions, which could not be averted despite exercising all necessary precautions.

7.5 (c) FORCE MAJEURE: Star Tours is not liable for delays or failures caused by events beyond our control, including war, terrorism, civil unrest, strikes, natural disasters, epidemics, government restrictions, or technical issues with transport. In such cases, no refunds or compensation will be due beyond what suppliers themselves may provide through alternative arrangements may be offered if available.

7.6 EXCURSION CANCELLATIONS: In circumstances characterised by unusual or unforeseeable conditions, including national or public holidays in the visited country necessitating the cancellation/restriction of an excursion, we will provide reimbursement options at our contracted rate only. These options may vary depending on circumstances and will not extend to infants and children.

7.7 EVENTS AND FESTIVALS: Due to occurrences such as trade fairs, exhibitions, and national holidays, there might be a necessity to alter the designated hotels and locations. Despite our efforts to avoid these situations, any changes necessitated by such events will not be valid grounds for grievances during or after the tour.

7.8 CHANGES DURING MAJOR EVENTS: During major events, the itinerary may be altered at short notice. Sightseeing may be affected, and certain landmarks may be inaccessible, requiring substitutions that might not be advised in advance. Tour routing will follow local restrictions. Delays or missed sights caused by traffic disruptions or road closures will not be eligible for reimbursement.

8. OUR RIGHT TO CANCEL YOUR HOLIDAY

8.1 MINIMUM NUMBER OF PARTICIPANTS REQUIRED: A minimum number of passengers must be met for our tours to operate. We reserve the right to cancel the tour if the minimum number is not reached. If this occurs, we will refund the total amount paid for the tour. Please note that we are not liable for any other costs incurred due to cancellation, including but not limited to visa service charges.

8.1 (a) CANCELLATION NOTICE: We will notify you of any cancellations at least 14 days before the departure date via phone, email, or written correspondence. For tours lasting less than two days, you will be notified at least three days before departure.

8.1 (b) REBOOKING AFTER CANCELLATION: If a cancellation occurs and you choose to rebook on a different date, any fare differences for the new booking will be your responsibility.

8.2 ALTERNATIVE ARRANGEMENTS: We hold the right to cancel your holiday for any reason. If you are compelled to cancel your holiday before departure for any other reason, we will strive to offer alternative arrangements of a similar standard and price, if available.

9. SPECIAL NEEDS AND REQUESTS

9.1 MEDICAL DISCLOSURE: Passengers must disclose any medical conditions or mobility issues that may affect their participation in the tour at the time of booking. Star Tours reserves the right to refuse travel if such conditions are not declared in advance.

9.2 BOOKING REFUSAL: Star Tours maintains the right to decline a booking or service based on the suitability of a tour for an individual passenger.

9.3 ACCOMMODATING SPECIAL NEEDS: We endeavour to accommodate special needs and requests, but we cannot guarantee that all our tours will suit individuals with special needs, including wheelchair accessibility.

9.4 SPECIAL REQUESTS: (a) If you have special needs or requests, please inform us in writing. It should be noted that making a request does not guarantee that it will be accommodated.

(b) Requests for services such as packed breakfast should be directed to the respective hotel, and the client will bear any additional costs. Star Tours cannot guarantee or be held responsible for such services.

9.5 ASSISTANCE DURING THE TOUR: We cannot provide personalised assistance for walking, dining or other personal needs.

9.6 ACCESSIBILITY CONCERNS: If step-free access is a critical requirement for your tour, we strongly advise consulting with our sales team before booking to understand the suitability of various amenities.

9.7 LANGUAGE OF THE TOURS: All tours are conducted in English.

10. RIGHT TO REFUSE SERVICE

10.1 GROUNDS FOR REFUSAL OR TERMINATION: We may refuse a booking or terminate your holiday under the following circumstances without offering compensation or a refund: a) Failure to disclose relevant medical conditions or disabilities requiring special assistance. b) Inability to cope with the holiday demands.

c) Engaging in actions likely to cause distress, harm to others, or damage to properties.

10.2 END OF RESPONSIBILITY UPON TERMINATION: Our responsibility ends when we terminate the holiday under the conditions stated in clause 10.1.

10.3 CONSEQUENCES OF TERMINATION: Terminating your holiday under this clause does not entitle you to a refund or compensation.

10.4 PASSENGER RESPONSIBILITIES: Passengers must follow instructions from Star Tours staff and be punctual for all departures. Respect for local laws, customs, and fellow travellers is required. Failure to comply may result in removal from the tour without refund.

10.5 TOUR MANAGER AUTHORITY: The Tour Manager's decisions on operational matters, including timings, seat allocations, and routing, are final and must be followed by all passengers.

11. OUR OBLIGATIONS TO YOU

11.1 EXCURSION AVAILABILITY: Not all optional or additional excursions listed may be available during your tour. Any excursions purchased locally from third parties are outside your contract and not Star Tours' liability.

11.2 LIMITATIONS ON OUR LIABILITY: Our liability regarding any loss, damage, or injury you might suffer due to the holiday is limited under specific circumstances and governed by applicable international conventions.

11.2 (a) UNFORESEEABLE CIRCUMSTANCES: We will not be liable for issues arising from circumstances beyond our or our supplier's control, which could not have been foreseen or prevented with due care. Compensation will not be given for delays due to unforeseen circumstances.

11.2 (b) CARRIER'S CONDITIONS: Your travel as part of the holiday may be subject to the carrier's conditions of carriage, which may limit their liability as per international conventions.

11.2 (c) COACH BREAKDOWN: Regarding coach breakdowns, we limit our liability to reimbursing the amount paid to the supplier for missed attractions as per our contracted rates. While we will attempt to replace or repair the coach promptly, delays might occur due to uncontrollable reasons. We reserve the right to use a replacement coach to complete the journey, which may not offer the same amenities as the original coach.

12. LIABILITY

12.1 Star Tours will not be held responsible, under any circumstances, for the following situations involving the passenger or their co-traveller(s):

a) Any issues arising from the loss or destruction of passports/travel documents before or during the tour, including any additional expenses incurred due to such events.

b) Personal injury, delays, sickness, accidents, death, discomfort, increased expenses, consequential loss and/or damage due to theft or injuries, regardless of the cause.

c) Temporary or permanent loss/damage to baggage/personal effects, regardless of the cause, including wilful negligence by any person.

d) Loss of baggage during air, cruise line, or ground transportation.

e) An airline or airport personnel preventing a tour participant from boarding the aircraft for reasons beyond Star Tours' control.

f) An airline failing to accommodate tour participants despite holding confirmed tickets.

g) Damage or loss caused by events beyond Star Tours' control (including force majeure events and exceptional circumstances).

12.2 Star Tours' liability arising from this contract regarding your holiday, tour, or excursion will not exceed the total amount paid or agreed to be paid for the holiday. It will not include any consequential loss or additional expenses in any case.

12.3 You are responsible for checking in for flights and tours and presenting yourself at pre-booked attractions at the specified times while on holiday. Star Tours will not be liable for any missed flights/tours due to late check-ins or late arrivals, and no credit or refunds will be issued for failing to utilise any component of your tour.

12.4 The hotels utilised will not feature amenities such as air-conditioning, fans, kettles and other services you may be accustomed to. While efforts are made to contract hotels offering these amenities, there is no guarantee. In the event of non-functioning or unavailable amenities, no compensation will be provided.

12.5 UNUSED SERVICES: No refunds or reductions will be made for services not used by the passenger, whether by choice or due to circumstances outside Star Tours' control.

13. COMPLAINTS

13.1 If you encounter an issue during your holiday, report it immediately to the relevant supplier (e.g. hotel) and your Star Tours representative so we can attempt to resolve it.

13.2 If it cannot be resolved locally, you must submit a written complaint within 28 days of your holiday's end. Complaints received after this deadline may not be considered.

13.3 We will acknowledge your complaint and aim to respond within 28 days. Delays may occur if we are awaiting information from suppliers or third parties.

13.4 Star Tours is not liable for complaints arising solely from the actions or negligence of suppliers, subcontractors, or agents.

13.5 This procedure must be followed to preserve your rights under this contract. If unresolved, you may escalate through ABTA's arbitration scheme or take the matter to the courts of England and Wales, which have exclusive jurisdiction (see www.abta.com)

14. PASSPORTS & VISAS

14.1 GENERAL PROVISIONS: (a) APPLICATION: The passengers are responsible for allocating sufficient time for passport applications based on the guidelines provided by relevant embassies. Star Tours may impose additional charges for visa services beyond the standard fees during peak periods.

(b) TRAVEL DOCUMENTS: Passengers must ensure they secure all requisite travel documents before the start of the tour. Those processing visas with Star Tours should note that visa acquisition cannot be guaranteed, as the embassies hold the final authority. If a passenger fails to secure necessary travel documents after confirming the tour, the cancellation policy outlined in these terms and conditions will apply.

(c) VISA SERVICE PROVISION: The visa assistance service is available at an extra fee, separate from the holiday package cost. Passengers must provide all documents; incomplete submissions will not be accepted. Star Tours determines the visa application submission date and is not liable for consulate decisions or any loss/damage of documents during the process. Visa approvals are at the consulate's discretion. Ensuring the correct visa before travel is the passenger's responsibility. Failure to do so activates the cancellation policy noted in clause 5.1. Star Tours bears no responsibility for loss or damage to documents and passports during embassy procedures.

(d) In instances where Star Tours UK is managing your visa process and it is rejected, refused, or delayed by the consulate, cancellation charges will apply based on when the update is received before departure: an update received more than ten days before departure will incur a 25% charge for coach tours and a 40% charge for flight & FIT tours; updates received within ten days of departure will incur a 35% charge for coach tours and a 50% charge for flight & FIT tours. All visa fees and service charges are non-refundable.

14.2 DOCUMENTATION CHECK: (a) TRAVEL DOCUMENT VERIFICATION: Passengers must scrutinise all travel documents issued in conjunction with the booking as soon as they receive them. Inconsistencies should be reported within 24 hours of receipt to avoid responsibility for associated amendment costs.

(b) ADDITIONAL DOCUMENTATION REQUESTS: If passengers are handling visa procedures independently, they must inform Star Tours regarding any extra documentation required, such as hotel confirmation on a letterhead. Allow a preparation period of 14 working days for issuing such documents.

(c) ADDITIONAL PASSPORT INFORMATION (API): Certain airlines mandate API, and failure to provide this might result in denied boarding with no compensation or refund available from Star Tours.

14.3 TRAVEL DOCUMENTS: All passengers must carry valid passports, visas, tickets and any other required documents at all times. Failure to present these when required (e.g. at borders, airports or attractions) may result in denied travel or entry, for which Star Tours accepts no liability.

15. HEALTH

15.1 VACCINATIONS AND HEALTH: (a) Check your country's Department of Travel & Health website for destination-specific vaccination requirements. Maintain records of medical conditions and medications.

(b) Allergies and Dietary Restrictions: Individuals with severe allergies should take necessary precautions before the trip, as we cannot guarantee allergen-free environments. Star Tours cannot be held accountable for the actions of other passengers that may trigger someone's allergies.

16. DAMAGE OR LOSS OF PROPERTY

16.1 LIABILITY: You shall bear the costs for any damage or loss caused by you or your party during the tour, failing which you will be liable for any resulting claims or legal actions.

16.2 LOST PROPERTY: Star Tours is not responsible for recovering lost property due to safety and legal considerations.

17. HOLIDAY INSURANCE

All travellers must hold valid travel insurance covering medical treatment, repatriation, loss of belongings, and cancellation. Proof may be requested. Star Tours accepts no liability for costs incurred without adequate cover.

18. FINANCIAL PROTECTION & LICENSING

Being an ABTA (W8770) member and holding an ATOL Licence (5639) issued by the Civil Aviation Authority, we adhere to ABTA's Code of Conduct, ensuring a high standard of service. More information about your financial protections and recourse in cases of service non-provision due to insolvency are detailed in the ATOL certificate and can be found on www.abta.com

19. DATA PROTECTION STATEMENT

We comply with UK GDPR and relevant data protection laws. We process personal data where necessary to deliver your booking, provide services, or meet legal requirements. This may include relying on your consent, our contractual obligations, or our legitimate interests (for example, sending booking confirmations or essential service updates). We take steps to safeguard your data from unauthorised access and will not share it with third parties unless required for your travel arrangements or by law. You can opt out of non-essential communications by contacting us in writing.

19.1 PHOTOGRAPHY AND MEDIA: Travellers may take photos and videos but must do so respectfully and with consideration for others. If recording is intrusive, you may be asked to stop; refusal can result in removal from the tour. Content shared online that includes staff, suppliers or passengers requires their consent, and Star Tours accepts no responsibility for such material. Company staff or representatives may capture photos or video for marketing purposes. If you do not wish to appear, please inform your Tour Manager at the start of the tour.
